

FR BUMP CAP

Article No.: 1705FT139

Flash Armor® inherently flame-retardant & high temperature resistant garments do not support combustion in the air, melt or drip due to their molecular structure and its flame retardant characteristics cannot be washed away. Our range is designed to cater for working conditions around the world as garments are offered in various designs and options.

Flame resistant clothing made with **Flash Armor®** provides valuable peace-of-mind, which enables those who wear it to focus on the job at-hand and perform to their fullest potential.

Holes on sides for air ventilation

Adjustable velcro fastening
